Report on three-day IPR Program

Date: November 28th, 2022, to November 30th, 2022

The Intellectual Property Rights (IPR) workshop held over three days aimed to equip college students with essential knowledge and skills to navigate the complexities of intellectual property in the modern world. The session was conducted by the Principal of Hi-Tech College

Dr. Shelke Santosh. The principal emphasized the need for understanding and safeguarding intellectual property rights to foster innovation and creativity. The inaugural day of the workshop was devoted to laying a solid foundation of understanding regarding intellectual property. The sessions commenced with an insightful introduction to various forms of intellectual property, spanning patents, trademarks, copyrights, and trade secrets. Through interactive discussions, students gained an appreciation for the multifaceted nature of IPR and their crucial role in safeguarding innovation. Moreover, ethical dimensions of IPR were deliberated upon, stimulating critical reflections on issues like patent trolling and biopiracy. Participants were encouraged to adopt a principled approach towards intellectual property, recognizing its role not only in fostering innovation but also in promoting ethical conduct within the realm of business and technology. In conclusion, the three-day Intellectual Property Rights workshop served as a beacon of empowerment for college students aspiring to become future innovators and entrepreneurs. By equipping participants with a comprehensive understanding of IPR fundamentals, practical applications, and entrepreneurial strategies, the workshop instilled confidence and vision among the students, propelling them towards a future marked by innovation, creativity, and ethical stewardship in the realm of intellectual property.
