Report on Workshop on Intellectual Property Rights (IPR)

On **16th March 2024**, the **Marathwada Institute of Management and Research (MIMR)** successfully organized a workshop on **Intellectual Property Rights (IPR)**. The session was designed to enhance students' understanding of the fundamentals of IPR and its significance in the academic and professional spheres.

The workshop commenced at **10:00 AM** with a warm welcome extended to participants and the resource person. The speaker, an expert in the field of IPR, delivered an engaging presentation covering key concepts such as **patents, copyrights, trademarks**, and their application in safeguarding creative and innovative endeavors.

Interactive discussions and real-world case studies were integral parts of the session, providing students with practical insights into how IPR can impact research, entrepreneurship, and business operations. Attendees were encouraged to ask questions and share their perspectives, making the workshop highly participatory.

The event concluded with a Q&A session, where students clarified doubts and explored how to apply IPR knowledge in their respective fields. Faculty members thanked the resource person and emphasized the importance of staying informed about intellectual property in today's competitive landscape.

The workshop was highly informative and well-received, leaving students better equipped to navigate the complexities of intellectual property and its role in fostering innovation and creativity. The MIMR community looks forward to hosting similar educational sessions in the future.
