Report on visit to Vitawa, Tq. Gangapur, Dist Aurangabad, (Woman's Self Help Group)

On occasion of "**World Woman's Day**" 8th March 2023, a group of college faculty members and students had the opportunity to visit Vitawa Self-Help Group, as part of our ongoing efforts to engage with local community initiatives.

The visit aimed to witness firsthand the collective efforts of women in fostering personal growth, community development, and empowerment through mutual support and collaboration. Upon arrival at Vitawa, we were warmly welcomed by members of the self-help group, who shared insights into their activities and initiatives. Women from different backgrounds came together to share experiences, offer encouragement, and collaborate on various projects. Our visit to Vitawa Self-Help Group was a truly enriching experience that highlighted the transformative power of collective action and women's empowerment. As faculty members, we are inspired by their commitment to fostering self-reliance, resilience, and community engagement among its members. Moving forward, we look forward to exploring opportunities for collaboration that leverage the expertise and resources of both of us, ultimately contributing to the holistic development of women and communities.

One Family One Plant Program

The said program was implemented on 5th June 2022 on behalf of the college. This program was also linked to the implementation of the goal of tree planting by the Government of Maharashtra. The main objective of this program is to improve the environment and social responsibility. One per family was given and the residents were requested to take care of the respective saplings till they grow into trees.
